

How to Plant a Mary Garden

Planting hope in our homes with Mary

Welcome to Our Family

In addition to longer days, sunshine, and school graduations, spring is time for a one-of-a-kind event: the Museum of Family Prayer's annual Mary Garden Contest. Gardeners, gardener "wanna-be's," and families young and old are invited to cultivate and care for gardens dedicated to the Mother of God.

What is a Mary Garden? Traditionally, it is an enclosed garden of flowers and herbs whose names speak of Our Lady. These gardens, which appeared in Europe as early as the Middle Ages, are typically planted around a statue of Mary, creating a peaceful space for prayer. Since we welcome gardens of all shapes and sizes, we hope you and your family will be creative as you plan your Mary Garden together and take this opportunity to begin or deepen a habit of family prayer.

You can learn more about this longstanding tradition, find practical advice for creating your own Mary Garden, and submit photographs of your work on the Museum of Family Prayer's website.

As new life springs forth in creation, let us entrust our families to Mary, the Mother of Our Hope. May God bless you and your family!

A Little History

Servant of God Patrick Peyton began his ministry in 1942 with the goal of building family unity through daily prayer of the Rosary. Inspired by his own father who had a deep devotion to family prayer, praying the Rosary became the foundation for the life of Father Peyton (1909-92).

We at Family Rosary are ever so grateful Father Peyton's family instilled in him the importance of family prayer. Now it can be part of your family's tradition so you can fulfill the vision that "The Family That Prays Together Stays Together," the slogan coined by Father Patrick Peyton, C.S.C., so many years ago.

How to Plant a Mary Garden

"While we may not need the stories about these flowers to teach us, we can nevertheless create a place of prayer and devotion by planting a garden with the intention of honoring Mary."

It is time to plant and tend a garden. Mary Gardens, gardens dedicated to our Blessed Mother, have been gaining popularity in recent years. How does one go about creating a Mary Garden? Many flowers and plants are associated with our Blessed Mother and various aspects of her life. These traditions harken back to the Middle Ages, when religious devotion permeated almost every aspect of life. Some flowers are associated with Mary simply by virtue of their names. Others feature legends used as one means to instruct others about Jesus and Mary. It was one more way to teach the Gospel stories during a time when books and reading were not widespread. While we may not need the stories about these flowers to teach us, we can nevertheless create a place of prayer and devotion by planting a garden with the intention of honoring Mary.

Such a garden may be a lavish outdoor space or some simple indoor plantings. A Mary Garden also usually contains a statue or image of Mary.
