

The Father Peyton Prayer Guild

United in Prayer for a Spiritual Cause

Across the country and around the world, people are joining the Father Peyton Prayer Guild. They are joining as families and individuals, as well as forming local chapters in memory of Father Patrick Peyton, C.S.C., and praying for his canonization.

Families today – perhaps more than ever – need to pray together to be spiritually strengthened. That's why Father Peyton's ministry is still important. His life's ministry was focused on helping families through prayer, especially the Rosary.

Dedicated to our God and the Blessed Mother, Father Patrick Peyton was one of the 20th century's most recognized priests. He was known to people around the world who hungered for spiritual leadership that served to inspire family unity. He built his ministry by preaching these simple yet profound beliefs: "The family that prays together stays together" and "A world at prayer is a world at peace."

Please join us in the Cause for Canonization of Venerable Patrick Peyton. You can join as a family or individual member or begin a local Chapter of the Father Peyton Guild. Your prayers and participation are critically important in remembering and honoring Father Peyton.

We need your prayers. Please join today by filling out the membership form on the opposite side!

Benefits of Membership

As a valued member of the Father Peyton Prayer Guild, you and your family are kept informed and inspired through the following efforts:

- On the first Friday of each month, members of the Guild and their families are prayed for during a Mass intention at The Father Peyton Center in North Easton, MA, U.S.A.
- Members regularly receive the Family Link newsletter, which is devoted to sharing our ongoing spiritual reflections, mission activities and updates on Father Peyton's Cause.
- Monthly communication from the Prayer Guild Director.
- Members receive invitations to Holy Cross Family Ministries events.
- Participation in a community of prayer with families around the world.
